

Congregational Faith Confession

This is my Bible. I am what it says I am. I can do what it says I can do. I'm a believer and not a doubter. I'm a doer and not just a hearer. And my life is better after hearing the word of faith. For, faith comes by hearing and hearing by the word of God. So I submit myself to the cleansing & redeeming, healing & delivering, life-transforming power of the Word of God and set myself in expectation of the superior life God has for me. I speak to my world – you've been overcome by the power of the Word. I speak to my situation – your days are numbered. I speak to my body – be healed by the power of the Word. I speak to my life – be transformed by the renewing power of the Word of God in my mind. I am a new creature. I walk by faith and not by sight. I walk in forgiveness and abide in love. I am clothed in righteousness. I live in obedience and in expectation of blessing. I receive this Word, its protection, its empowerment, and my inheritance in Jesus Name. Amen.
